In re: Application Serial No. 88674888

APPLICANT’S REQUEST FOR THIRTY-DAY EXTENSION OF TIME

Garan Services Corp. (“Applicant”), by and through its counsel of record hereby moves the Trademark Trial and Appeal Board (“Board”) for a thirty-day extension of the time in which to file its appeal brief in the captioned matter. The instant motion to extend is necessitated by the fact that Applicant’s counsel has been and is currently pressed for time as a result of other business that she is handling for a variety of clients during the relevant period. As a result, she has been unable to consult with her client on the substantive issues to be presented in the appeal. Counsel apologizes to the Board and the Examining Attorney for this brief and unintended delay.

As no previous request for the same or similar relief has been sought, Applicant respectfully submits that the request is not merely for the purpose of delay and that the requisite showing of good cause has been established. The Board has found the press of other business is sufficient cause for at least the first thirty-day extension in an *ex parte* appeal. See, TBMP § 1203.02(d)(“a reason such as the press of other business . . . may be sufficient to show good cause for a first extension of thirty days.”)

Applicant's brief is due on May 8, 2021, and as such, the instant motion is timely.

Sufficient good cause having been demonstrated herein, Applicant respectfully requests that the relief sought be granted.

DATED: New York, NY
May 7, 2021

Respectfully submitted,
